# ORIGAMI SERVICE MENU

## Parties:

We cater to your party's needs with fun and educational origami entertaining, whether for a big corporate party or a small social gathering. Activities range from teaching specific origami designs, painting origami, making origami mobiles, creating origami artist trading cards and books, doodling with paper, the mathematics, storigami, origami poetry, and other creative activities available upon inquiry. It is the perfect opportunity to learn a new skill and have a good time!

The price is a meager \$50 for a 1 hour party with 4 persons or less. Upon delivery or services the added amount of \$25 for each additional hour and \$4 for each additional person is due. Locations more than 50 miles away require a transportation stipend. We can come to you or find a suitable space for rent (depending the circumstances we may find you a deal). When parties are large we bring in our entertaining assistants; a gratuity to these individuals is an appreciated courtesy. We will work closely with you to answer any questions and to accommodate for your needs. Register your special event on Etsy!

## Classes & Workshops:

We offer a range of educational and fun origami and multi-media connected classes. Workshops are like classes, but each is simply a one session class and they are a good opportunity to meet people and learn something new. We teach workshops at libraries, camps, schools, museums and out in the public. Sometimes a workshop occurs where we have exhibits. Workshops are a fun, learning experience with benefits to all!

Some learning options are:

- Simple or Fun or Sophisticated Origami for Kids or Adults
- Judaic Origami (for various holidays and general symbolism)
- Themed Origami (Ex: various toys, hats, pets, vehicles, etc.)
- Origami Portrayals (with songs/story or painting/drawing)
